OPEN ENROLLMENT STARTS MAY 4

2026-27 Plan Year

OPEN ENROLLMENT DETAILS

Open enrollment is your annual opportunity to review your benefits and confirm that your current selections still meet your needs. For instance, if you recently turned 26 and no longer qualify for coverage under your parents' plan, or if you've just welcomed a new child and need to add coverage, now is the time to update your elections!

PASSIVE OPEN ENROLLMENT

This year's Open Enrollment is passive, which means if you're happy with your current benefits, you don't need to do anything. Your coverage will automatically roll over into the new plan year. If you need to make any plan changes, just log into **ADP** during the enrollment window beginning **May 4**.

MANAGING YOUR FLEXIBLE SPENDING ACCOUNT (FSA)

If you'd like to keep your **Flexible Spending Account (FSA)** or make changes to your contributions, you'll need to re-enroll in ADP. Visit your benefits website to get started.
